

Ohio's Trajectory

Vision for a good life

Prepared Informed
Resilient Involved
Supported Believed in

Families, advocates and other stakeholders came together from across Ohio in February 2017 to learn about LifeCourse and begin creating Ohio's vision for supported families.

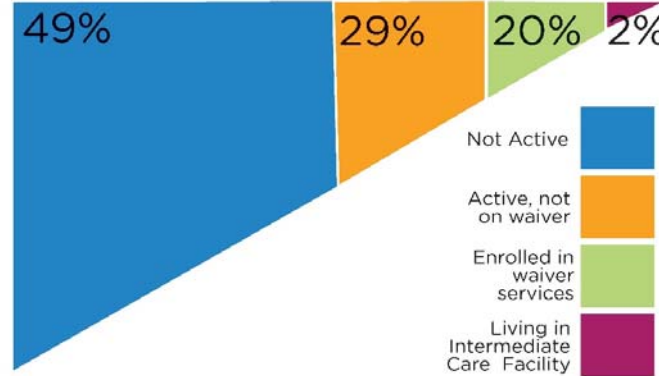

What we don't want

Isolated Stuck
Anxious Limited
Judged Excluded

Ohio's All

Approximately 250,000 people with intellectual or developmental disabilities

Ohio's Buckets

Discovery & Navigation

Training topics of interest to families like housing, person-centered planning, and health care access
Curriculum developed by families on Medicaid, support brokers and waiting lists
Regional consultants provide training, tools and resources to families relative to accessing health care

Connecting & Networking

Monthly café conversations for families hosted by families
Siblings trained to facilitate monthly gatherings for other siblings
New opportunities for parent to parent connection with Family Resource Network of Ohio

Goods & Services

Family Choice Model
Integrated play groups and family nights out
On-line resource guide to find services, supports and assistance in their area of the state

Ohio's Integrated Supports

Awarded nearly \$1.5 million in System Transformation funds to support and expand family-led efforts.
