

EXHIBIT A: TITLE XX PROGRAM GOALS & SERVICE DEFINITIONS

PROGRAM GOALS

Federal legislation has established five national goals for the Title XX program. Each of the national goals is addressed by one or more of the services identified in this section, which is taken from the Title XX Comprehensive Social Services Plan (CSSP).

It is important to note that the national goals represent levels of independence/dependence which may affect any human being. Goal I is the least restrictive and Goal V is the most restrictive.

GOAL	SHORT TITLE	DEFINITION
I	Self-support	Achieving or maintaining economic self-support to prevent, reduce, or eliminate dependency.
II	Self-sufficiency	Achieving or maintaining self-sufficiency including reduction or prevention of dependency.
IIIA	Preventing neglect, abuse, or exploitation	Preventing or remedying neglect, abuse, or exploitation of children or adults unable to protect their own interests.
IIIB	Preserving families	Preserving, rehabilitating, or reuniting families.
IV	Community based care	Preventing or reducing inappropriate institutional care by providing for community based care, home based care, or other forms of less intensive care.
V	Institutional care	Securing referral or admission for institutional care when other forms of care are not appropriate or providing services to individuals in institutions.

The table below describes how each Ohio Department of Developmental Disabilities Title XX Service aligns with the five national goals.
