## ICF-IID Provider Notice (8/5/16)

### Change in Billing for DODD Waiver Enrollees in an ICF-IID for Short-Term Stays

**Policy Clarification/MITS Modification:** Effective with 7/1/16 dates of service (DOS), ODM has modified MITS to allow payment to ICFs-IID for waiver consumers admitted for short-term stays, without the need to suspend the waiver or use the previous manual work-around process\*. This change comes with two coverage restrictions:

- Payment to ICFs-IID will be allowed for **up to 90 days** per calendar year for stays for individuals enrolled in a Waiver Program.
- ICF-IID Leave Days will not be covered for individuals enrolled in a Waiver Program.

**Billing Changes:** ICFs-IID will be able to bill for short-term stays for waiver consumers by using a NEW Revenue Center Code that will bypass the waiver conflict edit [Edit 2086 WAIVER ELIGIBLTY SPAN (WAIVER BENEFIT) OVERLAPS DOS]:

- Revenue Center Code 0160 – Full Day: Waiver Consumer

The new Revenue Center Code 0160 must be used to bill for ICF-IID stays for Medicaid consumers enrolled on a waiver, as identified by a Waiver Benefit in the MITS Provider Secure Portal, in order for those days to be eligible for payment.

ICFs-IID shall bill the appropriate Leave Day code as **non-covered days** for Waiver consumers. Revenue Center Code 160 must not be used to bill Leave Days.

#### **Reimbursement:**

- Revenue Center Code 160 will pay the full facility per-diem rate up to the 90 day calendar limit.
- Leave Days will not be paid for waiver consumers.

\*For DOS prior to 7/1/16, ODM will continue to coordinate with DODD to issue approved payments for ICF-IID stays for Medicaid consumers enrolled on a waiver, as identified by a Waiver Benefit in the MITS Provider Secure Portal. Providers may contact [ICF.IID@Medicaid.ohio.gov](mailto:ICF.IID@Medicaid.ohio.gov) with any new claim issues for DOS 7/1/15-6/30/16. For any new payment requests for DOS prior to 7/1/15, providers must submit an ODM 9400 Form to the LTC Payment Unit at FAX 614-995-5959.
