

**ROLE: Evaluator**

1. **Go to DODD portal login** as you usually do to access the DODD applications → Select **LOC/IDS**
2. You will see **Evaluator Dashboard**
3. To access list of Waiver LOC Redet Tile → Select **Waiver LOC Redet tile** from dropdown arrow next to Microsoft Dynamics CRM
4. You will see WMS iframe/window within CRM if you have access to WMS → Pull up all the redets due for your county
5. List of individuals whose Redets are due will show up → Check mark the box next to the Individual's name (same as current WMS Process) to select the redet you want to submit and click on the SUBMIT button.

**Note:** You are submitting redets in WMS by accessing WMS from CRM. The functionality is same as current. You
